

Pirate Springs's
Ocoee Mist Manor & Bunkhouse
Program Rules and Contract

The good news is this process does work if you are willing to take suggestions and do the work. We provide the structure and if you are committed to staying clean the changes and miracles you will experience are amazing.

Ocoee Mist is a great fit for some people but it might not be a good fit for others. The goal is permanent recovery at Ocoee Mist and our policy is ZERO tolerance. Through an interview process we assess the willingness, character and overall needs for a potential client and determine if you will be a good fit for our program. In the event you are not a good fit we will offer referrals to other programs that might provide a level of care more suitable to your particular needs.

Minimum Requirements for Admission

1. Commitment to stay at least 90 Days. You may stay longer.
2. **Complete abstinence from all mind & mood altering substances.** This includes illegal drugs, alcohol, prescription drugs (certain medical exceptions can be made), or any other substance used to alter your mind or mood. We do random drug & alcohol screening and may use lab testing if we feel we have reason to. We ensure that you will have a safe and drug and alcohol free place to recover, and we discharge immediately with zero tolerance for a failed drug or alcohol screen.
3. You must be willing to get a "sponsor", which is a person who will guide you through the 12 Steps of recovery. We expect everyone to have, at very least, a temporary sponsor within 3 weeks. The importance of working with a competent sponsor is vital to good recovery and the sooner you find someone to start guiding you through the steps the better your chances of staying clean.
4. Willingness to learn how to stay clean through the 12 Steps of Recovery. Active participation in all groups, step-work with your sponsor, and attendance of outside 12 Step meetings is mandatory.
5. **Complete willingness to follow all rules and directions.** Ocoee Mist is a structured living environment that provides all residents with the opportunity to transition back into life by living with structure and accountability. We will discharge anyone who does not follow the rules, for the safety and well-being of those who are serious about long term recovery. Our Goal is for graduates to leave not only prepared but already established with employment and/or schooling, housing, a clear legal slate, custody of your children if you are a mom, and a vibrant support network and desire to practice recovery (Spiritual Principles) in every area of your life.

7. You must either have a job, be actively seeking employment (this will be verified), be attending an outpatient program, or be participating in community service or volunteer work during the day. Part of the structure of recovery and transitioning into life is learning to fill our day with worthwhile and productive activities. Even if your program fees are being paid by family or outside resources, you will be required to be productive and self-sufficient at Ocoee Mist. If you are unemployed, you will have 3 weeks to find a job (all program fees are still due on time or through a repayment plan).

8. Willingness to focus on yourself. *Putting relationships into a secondary position are of importance behind your recovery.* Starting a new relationship while a resident of Ocoee Mist is not recommended, socializing with clients in any other residential program is not permitted unless it is a pre-existing relationship.

9. Willingness to attend mandatory meetings and Church. There may also be other mandatory meeting, retreats, and functions throughout the year.

10. ***Willingness to commit to the principle that your time in this program is 100% dedicated to recovery.*** That we learn to live recovery 1st and then slowly add our life back into our thoughts and activities, and that even after discharge the best assurance we have of continued recovery is always live recovery first.

11. Understand that passes are not automatic, they are earned based on progress.

12. Agree to stay off of social media until permitted.

13. No electronic devices except cell phones, **subject to cell phone policy.**

Policy for the Payment of Program Fees

<i>Beds</i>	<i>Weekly</i>	<i>Monthly</i>	<i>EBT or Cash for Groceries</i>
Individual Adult	\$125	\$500	\$120
Adult with 1 child (over age 3)	\$150	\$600	\$200
Adult with 2 children (over age 3)	\$165	\$660	\$275

The first two weeks paid in advance are required for admission. All fees paid are non-refundable and unpaid fees are subject to collection. Fees are due in advance and considered earned and non-refundable when invoiced.

Billing is Monday through Sunday so when you arrive your first invoice will be prorated to Sunday, then billed in advance to the following Sunday. Payment is Due by Sunday so each week you are paying a week in advance.

Counselling sessions are billable to insurance carriers and other reimbursement providers (i.e. TN-ARP). If the client has the ability to pay, sessions will be billed on a sliding scale according to the client’s ability to pay. If the client does not have the ability to pay, sessions and/or fees may be reimbursed by the Pirate Springs’ supplemental recovery support plan subject to volunteer requirements.

EBT cards must be applied for to pay for your groceries, or the additional amount on the table above per month (due on the 1st of each Month) paid if the client has the ability to pay and cannot qualify for EBT.

Program fees can be paid by cash, check, money order, or via credit card. We use PayPal for our online payments, but you do not have to have a PayPal account to pay with your credit/debit card.

There is a 3% processing fee for paying online. We use Paypal and are charged a fee for using the Paypal service so add \$3.00 to each \$125 payment to cover this cost.

Online Payments need to be made by the appropriate payment deadlines. If processing fees or late charges are not included in the online payments, they are still due and will be collected from the clients.

Meeting Attendance

Program requirements include meeting attendance. Minimum requirements are:

3 outside twelve step meetings per week plus 1 small group bible study, or 4 outside twelve step meetings per week.

In addition to outside meetings there will be a minimum of two inside meetings per week that you must attend.

Church must be attended weekly. Those who honor a Saturday Sabbath may drive to, or accompany a friend or relative to church on Saturdays. Those who attend Sunday Services may drive to or accompany a friend or relative to the church of their choice on every other Sunday. If you do not have a home church you must attend services as assigned by the facility.

This is not to force any "Religion" on anyone but to enforce socializing with people.

Legal Advocacy / Letters of Residency or Acceptance

Once you have been accepted in our program, we are happy to provide you with any documentation you may need for probation or parole, legal cases, food stamps, or any other reason.

The address for correspondence is:

Family Involvement

Addiction is a family disease, and it affects everyone involved in the life of an addict. Many families/friends do not understand the disease of addiction, and often times will actually hurt their loved one's chances for recovery through codependence and enabling, when they are only trying to help.

We can help clarify for them what types of support will actually benefit the addict/alcoholic, and what will only enable the cycle to continue.

You will be required to sign a release for us to talk to your family as well as your physician, therapist, probation/parole officer, or any other persons the staff deems necessary.

Medications

Medications must be surrendered upon acceptance to the program. Any new prescription received must be immediately surrendered upon arrival at the facility. All medications will be dispensed by Ocoee Mist Staff.

There are certain medications that are not allowed at Ocoee Mist, and you should speak to the staff if you have any questions regarding medication you are taking.

Failed drug screens due to prescribed medications we are not aware of, are grounds for immediate discharge. There are a number of medications that are allowed – the best policy is to let the staff know what medications you are taking, no matter what they are. Then there are no questions or situations that arise with a violation of policy.

Personal Items

Pirate Springs cannot be held liable for any personal items brought to the facility. If there is something you will get upset about if you lose it, don't bring it.

Buddy System

All new residents will be on a “buddy system” for a minimum of the first two weeks at Ocoee Mist. This means that any time you are not on our property, you will be with another member of the program. The only exception is if you are going to work. The buddy system is a great way for new residents to get to know their new housemates, and to integrate into Ocoee Mist community. It also provides accountability and safety while you are settling in.

You may come off the buddy system after you have been at Ocoee Mist a full two weeks following a successful review.

The requirements to come off the buddy system are:

1. Integration into the community (you have gotten to know everyone and are not isolating)
2. You have a 12 Step sponsor and have begun working the steps.
3. You have a job, or have demonstrated that you are doing an intensive job search. (If you are in school or an outpatient program that fulfills the requirement).
4. You have not broken any rules.

Other Program Rules & Policies

Daily Schedule

All residents must be awake, have their rooms cleaned and be in the main house for breakfast at 8:00 am unless your work schedule requires you to be gone earlier.

Do not accept any second or third shift jobs.

All Residents will be in the main house for Dinner at 5:30 pm except on Sunday when Dinner will be at 4:30 pm, or if working, a plate will be prepared and held for clients that are at work at dinner time.

Inside meeting and session schedules will be posted weekly and all residents are required to attend unless they are at work, looking for work, or have another legitimate excuse.

On weekdays you must be at work, in school or job training, searching for work, or at the facility. The only exceptions to this is doctor visits, court, or other such requirements. When at the facility clients will be

productive at all times (e.g. chores, step work, reading recovery material, meditating, in counseling etc.), except during scheduled recreation times.

Curfew

Television and lights out curfew is at 11:00pm on weekdays and 12:00pm on Friday and Saturday. This not On Premises Curfew, this is bedtime.

The only reason to be off premises after dinner is to go to meetings or bible studies. Curfew is 45 minutes from the end of the meeting or 75 minutes after the end of a Chattanooga meeting. Proof of attendance is required.

Room Cleanliness and Chores

Rooms will be kept clean and orderly. Beds must be made and loose items put away when you come to breakfast and maintained in an orderly condition.

A rotating chore list will be posted at all times. All chores must be completed how and when noted on the list.

Staff has the right to inspect (search) the premises, including your dressers, closets, pockets, purse, etc., at any time. Refusal is grounds for immediate termination and discharge and a direct violation of the contract for services.

Absolutely no one (including family) is allowed in the rooms without staff approval. If this occurs, it is grounds for immediate termination and a direct violation of the contract for services.

This is for the safety and comfort of all of our residents.

Cell Phones

Upon intake evaluation cell phones are confiscated for up to 30 days. After phones are returned, cell Phones must be used responsibly. More than 2 staff warnings regarding cell phone use may result in confiscation for a period of time. The house phone may be used if you do not have cell phone privileges, for up to 15 minutes per call, but the phone must always be answered if there is an incoming call, and must be surrendered if it is a staff call or if staff needs the phone.

Passes

Passes must be requested no less than 48 hours in advance and locations/family members must be pre-approved by the Program Director. Passes will be granted to Phase 3 Clients and above as follows. Phase 3; 1 weekend night every other week. Phase 4; 1 weekend night per week. Phase 5; two weekend nights every other week. Clients must follow their pass terms explicitly if applicable. Failure to do so is grounds for immediate termination and a direct violation of the contract for services.

Transportation

You are responsible for your own transportation expenses. Our facility is served by SETHRA. People with vehicles in our program work together to offer rides to help those who do not have vehicles. If you receive a ride from staff or another resident, you are required to help pay for gas expenses.

Bikes are allowed and must be stored on bunkhouse patios, and security of these is not the responsibility of Ocoee Mist or the staff.

Residents who want to have their vehicles must complete a "Driving Contract", and all Resident's vehicles must have current tags, registration, and insurance. Vehicles will be parked in designated areas and security of

vehicles is your responsibility. There will not be storage of inoperable vehicles on the premises and all vehicle maintenance must be performed off the premises.

All chores and the Weekly Cleaning must be completed prior to leaving on pass.

Food

Residents are responsible for purchasing their own snack food. Snacks may be kept in your room subject to clean room policy.

In a shared living environment, it is an exercise in cooperation and respectfulness to ensure that each person eats only the snacks they buy. There will be no tolerance for arguments about food – learning to coexist with respect and care of one another is the key to living in any group environment.
