*Pirate Springs at Chatata Valley*

*Program Rules and Contract*

The good news is this process does work if you are willing to take suggestions and do the work. We provide the structure if you are committed to staying clean. The changes and miracles you will experience are amazing.

Pirate Springs is a great fit for some people but it might not be a good fit for others. The goal is Long-term recovery at Pirate Springs and our policy is ZERO tolerance for drugs and alcohol. Through a phone interview process; we assess the willingness, character and overall needs for the potential clients to determine if you will be a good fit for our program. In the event you are not a good fit we will offer referrals to other programs that might provide a level of care more suitable to your particular needs.

#### Minimum Requirements for Admission

1. Commitment to stay at least 90 Days. **You may be required to stay longer subject to level of life skills obtained for reentry.** \_\_\_\_\_
2. **Complete abstinence from all Drugs and alcohol.** This refers to illegal drugs, alcohol, prescription drugs (certain medical exceptions can be made), or any other substance used to alter your mind or mood that are not for mental health purposes. We do random drug & alcohol screening and may use lab testing if we feel we have reason to. We ensure that you will have a safe drug and alcohol-free place to recover. We discharge immediately with zero tolerance for a failed drug or alcohol screen. \_\_\_\_\_
3. You must be willing to get a "sponsor", who is a person who will guide you through the 12 Steps of recovery. We expect everyone to have, **at very least**, a temporary sponsor within 3 weeks. **Before completing, you are required to complete a thorough 1<sup>st</sup> step with a sponsor.** The importance of working with a competent sponsor is vital to good recovery and the sooner you find someone to start guiding you through the steps the better your chances of staying clean. \_\_\_\_\_
4. Willingness to learn how to stay clean through the 12 Steps of Recovery. Active participation in all groups, step-work with your sponsor, and attendance of outside 12 Step meetings is mandatory. Realizing that your own best efforts got you where you are today. **This means sharing in most meetings (example: If you go to 4 meetings, you share in 3.)** \_\_\_\_\_
5. **Complete willingness to follow all rules and directions.** Pirate Springs is a structured living environment that provides all residents with the opportunity to transition back into life by living with structure and accountability. We will discharge anyone who does not follow the rules, for the safety and well-being of those

who are serious about long term recovery. Our Goal is for graduates to leave not only prepared but already established with employment and/or schooling, housing, are working on their legal issues, custody or near to getting custody of your children if you are a mom, and a vibrant support network with a desire to practice recovery (Spiritual Principles) in every area of your life. \_\_\_\_\_

**Completion Certificates are issued as a condition of completion and a zero balance for program fees**

6. Willingness to focus on yourself. ***Putting intimate relationships into a secondary position are of importance behind your recovery. Starting a new relationship while a resident of Pirate Springs is not recommended,*** socializing with clients in any other residential program **is not** permitted unless it is a pre-existing relationship. This is the number one reason clients are dismissed. \_\_\_\_\_

7. Willingness to attend mandatory meetings and Church. There may also be other mandatory meeting, retreats, and functions throughout the year. \_\_\_\_\_

8. ***Willingness to commit to the principle that your time in this program is 100% dedicated to recovery.*** That we learn to live recovery 1<sup>st</sup> and then slowly add our life back into our thoughts and activities, and that even after discharge the best assurance we have of continued recovery is always live recovery first. \_\_\_\_\_

9. Understand that passes **are not** automatic, they are earned based on progress. \_\_\_\_\_

10. Agree to stay off of social media until permitted. \_\_\_\_\_

11. No electronic devices except cell phones, **subject to cell phone policy.** \_\_\_\_\_ -

**Policy for the Payment of Program Fees**

<i>Beds</i>	<i>Weekly</i>	<i>Monthly</i>	<i>EBT or Cash for Groceries</i>
Individual Adult	\$125	\$500	\$220

The first two weeks paid in advance are required for admission. All fees paid are **non-refundable** and unpaid fees are subject to collection. Fees are due in advance and considered earned and non-refundable when invoiced. \_\_\_\_\_

Billing is Monday through Sunday so when you arrive your first invoice will be prorated to Sunday, then billed in advance to the following Sunday. Payment is due by Sunday so each week you are paying a week in advance. \_\_\_\_\_

**If your fees get over the amount of \$250.00, we reserve the right to immediate termination of services.**  
\_\_\_\_\_

Counselling and group sessions with outside agencies are billable to insurance carriers and other reimbursement providers (i.e. TN-ARP). If the client has the ability to pay, sessions will be billed on a sliding scale according to the client’s ability to pay. If the client does not have the ability to pay, sessions and/or fees may be reimbursed by the Pirate Springs’ supplemental recovery support plan subject to volunteer requirements.

EBT cards must be applied for to pay for your groceries, or the additional amount on the table above per month (due on the 1<sup>st</sup> of each Month) paid if the client has the ability to pay and cannot qualify for EBT. \_\_\_\_\_

Program fees can be paid by cash, check, money order, or via credit card. We use PayPal for our online payments, but you do not have to have a PayPal account to pay with your credit/debit card.

There is a 3% processing fee for paying online. We use PayPal and are charged a fee for using the PayPal service so add \$3.00 to each \$125 payment to cover this cost.

Online Payments need to be made by the appropriate payment deadlines. If processing fees or late charges are not included in the online payments, they are still due and will be collected from the clients.

### **Meeting Attendance**

Program requirements include 12 step meeting attendance. Minimum requirements are:

- 3 outside twelve step meetings per week plus 1 small group bible study
- 4 outside twelve step meetings per week.

In addition to outside meetings there will be a minimum of two inside meetings per week that **you must** attend and participate in, **and yes this means sharing!**

Those meetings are on Sunday Evenings at 6:30pm and Wednesday Evening at 6:30pm.

Church **must** be attended weekly. This is not to force any “Religion” on anyone but to enforce socializing with people outside the recovery sphere.

### **Legal Advocacy / Letters of Residency or Acceptance**

Once you have been accepted in our program, we are happy to provide you with any documentation you may need for probation or parole, legal cases, food stamps, or any other reason.

The address for correspondence is:

Pirate Springs  
 [Your Name]  
 3783 Chatata Valley Rd.  
 Charleston, TN 37310

### **Family Involvement**

Addiction is a family disease, and it affects everyone involved in the life of an addict. Many families/friends do not understand the disease of addiction, and often times will actually hurt their loved one’s chances for recovery through codependence and enabling, when they are only trying to help.

We can help clarify for them what types of support will actually benefit the addict/alcoholic, and what will only enable the cycle to continue.

You will be required to sign a release for us to talk to your family as well as your physician, therapist, probation/parole officer, or any other persons the staff deems necessary.

### **Medications**

There are certain medications that are not allowed at Pirate Springs, and you should speak to the staff if you have any questions regarding medication you are taking. \_\_\_\_\_

**Some of the medications that are not allowed are:**

- 1. Gabapentin**
- 2. Seroquel for sleep**
- 3. Tramadol for sleep**
- 4. Neurontin**

**5. Trazodone**

Please ask for a list of others that staff has for any more questions see director.

Clients will be responsible for all their medications. Staff is permitted to do a pill count if client’s are suspected of not taking medications correctly.

**Personal Items**

*Pirate Springs cannot be held liable for any personal items brought to the facility. If there is something you will get upset about if you lose it, don’t bring it. If you decide to leave program, you will have 72 hours to retrieve all your belongings. Failure to collect belongings will result in Pirate Springs donating them.*

**Buddy System**

All new residents will be on a “buddy system” for a minimum of the first two weeks at Pirate Springs. This means that any time you are not on our property, you will be with another member of the program. The only exception is if you are going to work or out to dinner with family. The buddy system is a great way for new residents to get to know their new housemates, and to integrate into the Pirate Springs community. It also provides accountability and safety while you are settling in.

You may come off the buddy system after you have been at Pirate Springs a full two weeks following a successful review.

The requirements to come off the buddy system are:

1. Integration into the community (you have gotten to know everyone and are not isolating)
2. You have a 12 Step sponsor and have begun working the steps.
3. You have a job, or have demonstrated that you are doing an intensive job search. (If you are in school or an outpatient program that fulfills the requirement).
4. You have not broken any rules.

**Other Program Rules & Policies**

**Daily Schedule**

All residents **must** be awake and have their beds made by 8:30 am unless your work schedule requires you to be gone earlier.

Do not accept any third shift jobs. Second shift jobs cannot be accepted without prior approval from director, you have your own ride, and have the ability to make your 3 meetings a week plus 2 mandatory inside meetings a week. .

All residents at Pirate Springs eat together and dinner is ready at 5:30 pm except on **Sunday when Dinner will be at 4:30 pm**, or if working, a plate will be prepared and held for clients that are at work at dinner time.

**Please wash your hands when you get home from work. This is for the safety of all residents .**

**On weekdays** you must be at work, in school or job training, searching for work, or at the facility. The only exceptions to this is doctor visits, court, or other such requirements.

When at the facility clients **will be** productive at all times (e.g. **chores, step work, reading recovery material, meditating, in counseling, community service time, and yard work etc.**), except during scheduled recreation times. **You must** either have a job, be actively seeking employment (this will be verified), be attending an outpatient program, or be participating in community service or volunteer work during the day. Part of the

structure of recovery and transitioning into life is learning to fill our day with worthwhile and productive activities. Even if your program fees are being paid by family or outside resources, you will be required to be productive and self-sufficient at Pirate Springs.

Sleeping and taking long naps is a sign of depression and isolation. **This is not allowed. Not even on weekends. You are allowed to take a short nap (1-2hours) on Saturday and sleep till 9am on Saturday and a 1-2 hour nap Sunday after church.**

A list of activities is posted or you can ask for one and it will be provided. If you are unemployed, you will have 3 weeks to find a job (all program fees are still due on time or through a repayment plan). **If you are coming to Pirate Springs from an institution or have not completed a 28 program first, you will be required to go to IOP.**

#### **Scheduled recreation times are:**

6pm- to 7:15pm M-F

9pm to 11pm M-F

11am (after everyone's chores are complete)-until midnight. Sat-Sun

Absolutely no staying your rooms except during these times unless director gives you permission. If these rules are broken, **it will result in cell phone loss for a period or loss of other privileges.** \_\_\_\_\_

#### **Lights out Curfew** \_\_\_\_\_

Television and lights out curfew is 11:00pm on weekdays in main house and 12:00am on Friday and Saturday.

**The only reason to be off premises after dinner is to go to meetings or bible studies.** Curfew is 45 minutes from the end of the meeting in Cleveland or 75 minutes after the end of a Chattanooga meeting. Proof of attendance is required.

#### **Room Cleanliness and Chores** \_\_\_\_\_

Rooms will be kept clean and orderly. Beds must be made and loose items put away when you get up in the morning and maintained in an orderly condition. Room checks will be performed by house manager with a check list.

**Chore lists are posted and need to be checked weekly due to changes. Failure to do your chore or ask someone to complete for you WILL RESULT IN \$20.00 FEE ADDED TO YOUR RENT.**

All chores must be completed how and when noted on the list. If you will not be here for any of your chores, it is your responsibility to make sure it is done in advance.

Everyone will have a daily chore, weekly chore, and every 3 months everyone will spend one weekend deep cleaning inside and outside premises.

Staff has the right to inspect (search) the premises, including your dressers, closets, pockets, purse, etc., at any time. Refusal is grounds for immediate termination and discharge and a direct violation of the contract for services.

Absolutely no one (including family) is allowed in the rooms without staff approval. If this occurs, it is grounds for immediate termination and a direct violation of the contract for services.

This is for the safety and comfort of all of our residents.

Laundry days are posted by room. Please do laundry on your scheduled day unless prior approval has been given by director.

**Cell Phones** \_\_\_\_\_

Upon intake evaluation cell phones are confiscated for up to 30 days. After phones are returned, cell Phones must be used responsibly **This is now being strictly enforced. What this means is when at the facility you must be productive not sitting around on cell phone. Do you give God as much time as you spend looking at phones? Thought for self-examination!**

The house phone may be used if you do not have cell phone privileges, for up to 15 minutes per call. DO NOT USE THE HOUSE PHONE TO CALL DIRETORY ASSISTANCE, THESE CALLS COST \$2.95 each!

The house phone must always be answered if there is an incoming call and must be surrendered if it is a staff call or if staff needs the phone.

Absolutely no calls are to be accepted from jails, prisons, or any other institutions under any circumstances. No jail mail from anyone unless you are married.

**Do not check mail.** This is a staff function.

**Passes** \_\_\_\_\_

Passes must be requested in advance and locations/family members must be pre-approved by the Program Director. Passes will be granted to Phase 3 Clients and above as follows. Phase 3; 1 8 or 12 hour pass every other week. Phase 4; 1 weekend night every other week. Phase 5; two weekend nights every other week. Clients must follow their pass terms explicitly if applicable. Failure to do so is grounds for immediate termination and a direct violation of the contract for services.

All chores and the Weekly Cleaning must be completed prior to leaving on pass. If this rule is violated you will lose your passes for one month.

**Devotions and journaling** \_\_\_\_\_

Residents are required to read three devotions a day and then journal about what they read and how it applies in their life. Please date your journal entry as they will be checked. After journal entry, please write 5 things you are truly grateful for.

Bikes are allowed and must be stored on patios, and security of these is not the responsibility of Pirate Springs or the staff.

Residents who want to have their vehicles must complete a "Driving Contract", and all Resident's vehicles must have current tags, registration, and insurance. Vehicles will be parked in designated areas and security of vehicles is your responsibility. There will not be storage of inoperable vehicles on the premises and all vehicle maintenance must be performed off the premises.
